Nutrition Policy

Kiddie Magic Learning Academy tuition includes breakfast (7:00 a.m. - 8:30 a.m.), snacks (10:15 a.m. and 4:00 p.m.), and milk provided at lunch (12:00 p.m.) for all children 12 months through 5 years old. Any student who receives more than 9 hours of care will be allowed a late afternoon snack (if needed). Please inform us in writing of any foods your child cannot or should not eat for any reason, on your Kiddie Magic Care Plan. It is very important for families to provide a well-balanced lunch for your child. However, if we discover that it does not meet the child's needs we will supplement their lunch and charge a fee.

Sincerely,
Kiddie Magic Learning Academy
